

DrEl

GastroHealth*

GastroHealth is a soothing formula of herbs and enzymes that support the health of the mucosal tissue lining the GI tract, respiratory system, and urinary tract system.*

Persons with occasional bloating or cramping in the GI tract, occasional diarrhea, occasional indigestion, and/or nausea may benefit from this natural support for a healthy gastrointestinal system.* This simple, well-tolerated formula is intended for sensitive individuals and works fast to ease occasional discomfort “below the navel.”** This product is uniquely formulated with enzymes and herbs for persons who have occasional gastrointestinal or urinary distress and may be taken anytime to soothe and relieve occasional gastrointestinal discomfort.*

About the Ingredients:

Herbal Ingredients

Marshmallow root, papaya leaf, rhodiola rosea, and gota kola are the herbs known for their ability to be very soothing to the mucosal lining.*

Natural Formula

GastroHealth is a dairy, gluten, and soy free vegetarian-friendly product in a cellulose capsule.*

Enzyme Blend

The amylase, lipase, and cellulase enzymes in this formula help promote improved delivery of the herbal ingredients and further support digestion.* This product contains NO protease for improved tolerance in sensitive individuals.
